

ASA DIVING COMMITTEE NEWSLETTER DECEMBER 2012

The ASA Diving Committee would like to wish you all a Merry Christmas and a successful New Year!

Licensing of Officials

Officials Licensing has been in place within Swimming, Synchronised Swimming and Water Polo for the last 4 years and to ensure that Diving are moving in line with all the disciplines licensing will be introduced from 1st January 2013.

From April 2013 British Diving will only use licensed officials for National events that are organised by the British Swimming Events Department. Regional and open events will not be subject to this criteria but the qualification structure does provide information on which level of officials should be used at various levels of events.

Officials will receive letters explaining what is happening and the action they need to take so that they remain eligible to officiate at National events.
